- Philips offers 5 year warranty on the LED module and driver

### **Sustainable light solutions**

- Extremely long operating life
- Saves up to 80% energy

**PHILIPS**

Wall light  
Nio white, LED

# Highlights

## Light and design

This design lamp has light with a minimalist essence that defies traditional boundaries, creating light and lightforms of inspiring purity and beauty.

## Warm white light

This light uses the very latest lighting technology by Philips with the new warm white state-of-the-art high power LEDs providing a glow of light with a colour temperature of 2700 Kelvin.

## Diffused light effect

The diffused light of the Philips lamp will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment.

## Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

## Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry

336103116

about maintenance or lamp replacement while having the perfect light ambience in your home.

## Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a range of contemporary designs, look for Philips LED products.

## 5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

# Specifications

## Design and finishing

- Material: aluminium
- Color: white

## Extra feature/accessory incl.

- Dimmable
- LED integrated
- Defined light beams
- High quality material
- 5 years warranty on the LED module

## Product dimensions & weight

- Height: 9.5 cm
- Length: 11.7 cm
- Width: 11.2 cm
- Net weight: 0.720 kg

## Technical specifications

- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 6 W
- Light color: warm white

- Lamp lifetime up to: 20,000 hrs
- Beam angle: 105°
- Total lumen output fixture: 380 lm
- Fixture dimmable
- LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 34 W

## Service

- Warranty: 2 year(s)

## Packaging dimensions & weight

- Height: 15.9 cm
- Length: 13.3 cm
- Width: 10.8 cm
- Weight: 0.836 kg

## Miscellaneous

- Especially designed for: Living- & Bedroom
- Style: Modern
- Type: Wall light
